

# Seeking volunteers for a study to assess abdominal muscle anatomy

©ADAM

## Learn more about how your abdominal muscles function?

### Who:

If you are 18-60 years old, you may be eligible to participate in this study by physical therapy faculty at Columbia University and Touro College.

### What:

We will measure your abdominal muscles with ultrasound and tell you how to improve their function.

### Where:

All testing will take place at KIMA Physiotherapy at 14 W. 23rd Street (Flatiron District)
